

TTSH Staff Update: 19 June 2008

Dear colleagues,

### **Prestigious Award for TTSH Doctor**

It's a great pleasure to announce that our Urologist, Dr Gerald Tan has been awarded the prestigious Ferdinand C. Valentine Fellowship in Urologic Research from the New York Academy of Medicine. Dr Tan who is in New York on a 2-year fellowship with Weill Medical College, Cornell University, is the first non-American to receive this

accolade in the award's 45-year history.

Gerald's clinical and translational research in prostate cancer and study in robotics and male infertility will be an excellent development for our research efforts. Congratulations Gerald. You have done TTSH proud!

***Warmest regards***
