Top Research Award for Urology

Dr Gerald Tan, who is undergoing his fellowship in New York City, has been named one of the recipients for the prestigious Clarke Medal and Cutlers' Surgical Prize by the Royal College of Surgeons of England and Worshipful Company of Cutlers. His research team has also won the AUA Clinical Research Essay Award by American Urological Association (AUA), the top research award at this year's AUA Meeting in Chicago. Congratulations and well done, Gerald!
